

School, One Dream Share The Excitement!

Dear Sarasota Business Owner and Friend of SMA:

The Sarasota Military Academy (SMA) has been bestowed a great honor. We have been invited to participate in the pre Olympic Game ceremonies in Beijing, China in June of 2008. SMA is the only public charter military high school in the United States. Our cadets (grades 9-12) are some of the finest, most polite, and most patriotic teens in the country. You have probably seen them in color guards throughout the community and during Veterans' Day ceremonies.

We need your help in raising funds for this good will trip and the experience of a lifetime for these students. The details are as follows:
