

SFC Promotion Requirement
Company Based Drill Exercise

1. Get company into formation in the courtyard of the fourth wing facing the doors of the classrooms.
2. Get company dressed.
3. Get company into PT Formation.
4. Bring company back to a regular formation.
5. Execute a command that would put the squad leaders in front of the formation so the company is ready to march.
6. March to the end of the wing and then have the company turn around so that the squad leaders remain in front.
7. Stop the company approximately ten feet in front of the new building.
8. Have 1st and 2nd squads march directly left.
9. Squads 3 and 4 should follow behind 1st and 2nd squads.
10. Have 1st and 2nd squads go to the right to enter the breeze way.
11. Once the entire company has turned into the breezeway, stop the company.
12. Bring the company back into 4 squads.
13. Turn the company around and march out of the breeze way, with the squad leaders in front.
14. Have the company go right, and stop them as you they center on the flagpole.
15. Have the company face the flagpole.
16. Bring company to inspection formation, followed by an alignment check.
17. Ensure company is aligned
18. Report to commander.
19. Lead commander to first squad for inspection.
20. Bring 2nd, 3rd, and 4th squads to alternate position.
21. Lead commander through inspection of first squad.
22. Bring company back to attention and await instruction by commander.
23. Return company to regular formation.
24. Bring the company to a position where they are required to look at you as you talk to them.
