COMMAND VOICE (15 Points): _____

PROPER DIST/CENTERED ON ELEMENT (7 Points): _____

TOTAL POINTS (OUT OF 100): _____

Note: You may start and finish your routine anywhere on the drill pad; should you or your element leave the drill pad at anytime, it will be a 5-point deduction for each occurrence.

Note 2: When you give the order “Present Arms”, it is not necessary for you to turn around and salute, as you are not part of a larger element, but simply drilling your squad, ensuring they know how to execute each movement.
