

READING FOR LET 2

Reading is critical in the education and learning process.

All LET 2 cadets will find an appropriate book that is interesting to them. This book must be brought to JROTC everyday. If the cadet has a question of its appropriateness, the cadet must bring it to the leadership or Instructor for approval.

If the book is not brought to class, the following corrective actions will commence:

- 1st offense = -10 employability and verbally counseled
- 2nd offense = -20 employability and call to parents
- 3rd offense = -30 employability and call to parents

WHEN DIRECTED, FOR THE FIRST 15 MINS, ALL CADETS WILL READ and then, WRITE THE FOLLOWING in their JOURNALS:

DATE

PGS READ (e.g. pg 1-10)

WRITE A SHORT SUMMARY OF WHAT YOU READ

Opening, body, summary-conclusion

JOURNAL WILL BE GRADED

If a cadet reads an entire book, they will continue with a new book.
