

## PTCC November Meeting

11/10/10 6:40 pm

After set up and decorating was completed a brief meeting was held which President Elke Olree called to order. Veteran's Day Parade is the focus of this meeting. There will be three shifts for volunteers: preparation, during the parade, and clean up. Denise Spetsios will coordinate volunteers. Paul and Kevin will oversee cooking, Becky Thomas will run the kitchen and Diane and Elke will oversee the sale of SMA logo items. Becky Thomas will provide water for cadets during the parade, as her truck will be in the parade. Parents will follow the truck. The route will be less than 2 miles.

Josh Payne discussed the plan for cadets. Cadets will attend first period while parents are free to shop and be on campus. Formation will include the freshman beret ceremony and a guest speaker. After the parade the cadets will follow a rotation of lunch, dodge ball/ shopping, and demonstrations.

We would like to have 3,000 wreathes for the memorial cemetery. So far we have 760. We would like to conclude sales before Thanksgiving break. With no further questions or concerns the meeting was concluded at 7:05.
